Acoustic Blues

“No matter what he plays he gets attention for his soulful virtuosity and mastery of a wide range of acoustic blues

styles. -Frank Matheis **TheCountryBlues . com**

“If you haven’t heard this man before, then take this opportunity because here is a guitar master at work!” -Terry Clear- **Blues Bytes-International**

“Minimalist instrumentation, a guitar and a voice especially lovely. I was really blown away and I highly recommend.” -By Andre’ Perronnet -**Blues Magazine** * Red Heart Logo

“Favorite” (France #58)

“...brilliant acoustic guitar virtuoso playing, it is doubtless on another level, and the vocals are well suited to the music...a mixture of his own compositions and personal arrangements of well known classics.” -**Blues Matters Magazine-U.K**
